KOMPRESSOREN

TRX

Turbo Air Compressor

710-2000 kW

2-10 bar

8.200-22.00 m³/h

Oil-Free, Water Cooled

Turbo Air Compressors

2 Stage Turbo Compressor

TRX series is the largest model range in the industrial centrifugal air compressors product range of IHI DALGAKIRAN. The TRX range features optimized aerodynamic design options, low maintenance requirements and easy installation features.

TECHNICAL SPECIFICATION

Model	Motor (kW)	Pressure Range Bar	Pressure Range Psi	Flow Rate (m ³ /h)	Dimensions (mm)			Weight (kg)
					Length	Width	Height	
TRX	710-1-2,000	02-Oct	30-145	8,200-22,000	4,850-7,260	2,400-3,900	2,150-3,400	13,500-20,000
